SPIRITUAL GROWTH

As we grow up in our lives, there are many areas in which to grow. We go to school to grow our brain muscles. If we play sports in school, we work out in the weight rooms to grow our body muscles. We go to college and continue to grow our brain muscles. Then, we go to work with our brain muscle growth and provide for ourselves so our time and effort will pay off for us. As we get older we continue to grow our brain muscles by continuing our education or work conferences or sales programs. Also, we work on keeping our physique as it was in our younger years by staying active. All of these things are important to us as we grow older.

Now, let's look at our spiritual growth! How do we grow spiritually? Or a better question would be – **Do we grow spiritually?** If we compare our physical and mental growth to our spiritual growth, how would we look? **Spiritually** – Do we study our Bible daily as we did our academic studies? Do we put into motion the spiritual growth that we have and increase it by studying with others? Do we spend time with family and friends discussing with them what the Bible says about why we are a Christian? Hebrews 6:12-14 says, **"YOU HAVE BEEN BELIEVERS SO LONG NOW THAT YOU OUGHT TO BE TEACHING OTHERS. INSTEAD, YOU NEED SOMEONE TO TEACH YOU AGAIN THE BASIC THINGS ABOUT GOD'S WORD. YOU ARE LIKE BABIES WHO NEED MILK AND CANNOT EAT SOLID FOOD. FOR SOMEONE WHO LIVES ON MILK IS STILL AN INFANT AND DOESN'T KNOW HOW TO DO WHAT IS RIGHT. SOLID FOOD IS FOR THOSE WHO ARE MATURE, WHO THROUGH TRAINING HAVE THE SKILL TO RECOGNIZE THE DIFFERENCE BETWEEN RIGHT AND WRONG."**

Examine yourself! "Can I truthfully say that I put as much or more time and effort into growing my Spiritual Life as I do my mental and physical growth?"
